Clarification of Tenders

To assist in the examination, evaluation and comparison of tenders NCPWD may, at its discretion, ask the tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance of the tender shall be sought, offered, or permitted.

2.21.1 Any effort by the tenderer to influence NCPWD in the NCPWD's tender evaluation, tender comparison or contract award decisions may result in the rejection of the tenderers' tender.

NCPWD will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents

have been properly signed, and whether the tenders are generally in order.

- 2.22.1 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantify, the unit price shall prevail, and the total price shall be corrected. If the candidate does not accept the correction of the errors, its tender will be rejected, and its tender security forfeited. If there is a discrepancy between words and figures the amount in words will prevail
- 2.22.1 NCPWD may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or effect the relative ranking of any tenderer.
- 2.22.1 Prior to the detailed evaluation, pursuant to paragraph 2.23 NCPWD will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one, which conforms to all the terms and conditions of the tender documents without material deviations. NCPWD's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.
- 2.22.1 If a tender is not substantially responsive, it will be rejected by the NCPWD and may not subsequently be made responsive by the tenderer by correction of the non-conformity.

Conversion to Single Currency

Where other currencies are used, the procuring entity will convert these currencies to Kenya Shillings using the selling exchange rate on the date of tender closing provided by the Central Bank of Kenya.

Evaluation and Comparison of Tenders

NCPWD will evaluate and compare the tenders which have been determined to be substantially responsive, pursuant to paragraph 2.22

- 2.24.1 The tender evaluation committee shall evaluate the tender within 30 days of the validity period from the date of opening the tender.
- 2.24.1 A tenderer who gives false information in the tender document about its qualification or who refuses to enter into a contract after notification of

contract award shall be considered for debarment from participating in future public procurement.

Preference

2.25.1 Preference where allowed in the evaluation of tenders shall not exceed 15%

Contacting NCPWD

Subject to paragraph 2.21 no tenderer shall contact NCPWD on any matter related to its tender, from the time of the tender opening to the time the contract is awarded.

Any effort by a tenderer to influence NCPWD in its decisions on tender, evaluation, tender comparison, or contract award may result in the rejection of the Tenderer's tender.

Award of Contract

(a) Post-qualification

In the absence of pre-qualification, NCPWD will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

The determination will take into account the tenderer financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to paragraph 2.12.3 as well as such other information as NCPWD deems necessary and appropriate.

An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event NCPWD will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

(b) Award Criteria

NCPWD will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that

the tenderer is determined to be qualified to perform the contract satisfactorily.

(c) NCPWD's Right to Vary quantities

NCPWD reserves the right at the time of contract award to increase or decrease the quantity of goods originally specified in the Schedule of requirements without any change in unit price or other terms and conditions

(d) NCPWD Right to accept or Reject any or All Tenders

NCPWD reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for NCPWD's action

Notification of Award

Prior to the expiration of the period of tender validity, NCPWD will notify the successful tenderer in writing that its tender has been accepted.

2.28.1 The notification of award will constitute the formation of the Contract but will have to wait until the contract is finally signed by both parties

2.28.1 Upon the successful Tenderer's furnishing of the performance security pursuant to paragraph 2.28, the NCPWD will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to paragraph 2.14

Signing of Contract

At the same time as NCPWD notifies the successful tenderer that its tender has been accepted, NCPWD will send the tenderer the Contract Form provided in the tender documents, incorporating all agreements between the parties.

2.29.1 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.29.1 Within thirty (30) days of receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to NCPWD.

Performance Security

Within Thirty (30) days of the receipt of notification of award from NCPWD, the successful tenderer shall furnish the performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to NCPWD.

Failure of the successful tenderer to comply with the requirements of paragraph 2.27 or paragraph 2.28 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event NCPWD may make the award to the next lowest evaluated Candidate or call for new tenders.

Corrupt or Fraudulent Practices

NCPWD requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts when used in the present regulations, the following terms are defined as follows;

- (i) "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and

- (ii) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring entity, and includes collusive practice among tenderer (prior to or after tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the Procuring entity of the benefits of free and open competition;

NCPWD will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

Further a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.
