REMUNERATION FOR PERSONAL GUIDE FOR PERSONS WITH DISABILITY

The Salaries and Remuneration Commission has received requests with regard to payment of assistants to public officers with disabilities. The Commission is in contact with the National Council of Persons with Disability for guidance on facilitation of persons with disability in the public service. This is in view of the need to provide for remuneration for personal guide for persons with disability in the public sector through the establishment of a policy that will give the required guidance.

As consultation towards the establishment of a policy proceeds, the Commission during its 84th Meeting held on 16th December, 2014 has adopted the position that persons with disability who are blind and those on wheel chairs who require personal assistants to perform their duties be paid Assistants Allowance at a flat rate of Ksh.15,000 per month as part of the gross pay of the beneficiary (person with disability), as a stop gap measure. This will be done while awaiting policy on facilitation/assistance which will be communicated by the Commission in due course.

Your office is, hereby, requested to bring the contents of this circular to the attention of the affected employees in your organization and to ensure compliance.
