

The Professional Fellows Program on Inclusive Civic Engagement

A five-week Fellowship training experience in the US for African leaders in disability inclusive civic engagement.

CALL FOR APPLICATIONS!

As a Fellow, you will:

- Engage in a five-week Fellowship training at a US host site organization
- Develop a project to enhance inclusive civic engagement in your home country
- Exchange ideas with other professionals in this field to develop the global movement for inclusive civic engagement
- Participate in weekly leadership seminars, mentorship, community service, and much more
- Implement your inclusive civic engagement project upon return to your country

To be eligible, you must:

- Be a Kenyan, Ugandan, Tanzanian, or Ethiopian citizen between the ages of 25-40
- Be currently working to improve civic engagement for people with disabilities
- Have 2+ years of professional experience working on disability inclusion
