

The Professional Fellows Program on Inclusive Civic Engagement

A five-week Fellowship training experience in the US for African leaders in disability inclusive civic engagement.

- ✓ Are you a Kenyan, Ugandan, Tanzanian, or Ethiopian citizen between the ages of 25-40?
- ✓ Are you currently working to improve civic engagement for people with disabilities in your country?
- ✓ Do you have 2+ years of professional experience working on disability inclusion?
- ✓ Are you interested in traveling to the US to engage in exchange with other professionals in this field?

What is inclusive civic engagement?

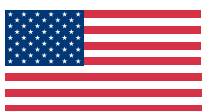

Inclusive civic engagement is working to guarantee the equal rights and opportunities for people with disabilities to participate in civic life and society.
